Industry Specific Military Hire Resource & Career Fairs provides an on-site and virtual platform for your organization to specifically target qualified veteran applicants!

Because we are able to market and promote your specific job openings weeks in advance of the Fairs, we are able to identify qualified veteran applicants and invite them to meet your recruiters in our virtual platform or on-site location for face to face assessment interviews.

No stone is unturned as we are able to utilize all available resources to make your attendance a success. They include Applicant Tracking System, social media, flyer distribution, mass email campaigns, LinkedIn sourcing, job boards, veteran resume databases, veteran websites, networks and collaboratives, educational institutions, military bases, career centers, Facebook ads, and a **CASH Bonus raffle of \$500.00** contingent on 150+ job seekers in attendance at either event.
