# VETS HIRED

## Military & Virtual Career Fairs

### Marketing and Promotions

**Social Media - Vets Hired promotes the virtual fairs in 94 LinkedIn Military Group Connections weekly reaching approximately 2.3M military connections.**

**(Facebook)** - severaly weeks prior to each event, Vets Hired targets thousands of veterans, active-duty and military spouses within certain industry sectors around the country.

**(X)** Vets Hired shares the events and confirmed companies on Twitter (X) several weeks leading up to the fair.

**(Mass Emails)** Vets Hired has a national email database of 60,000 military contacts, the Fairs are shared several times a week.

**(Applicant Tracking System) Our clients jobs are shared in the ATS and applicants that apply are invited to the Fairs via direct emails and phone calls.**

**(Zoom)** Job seekers that register on Zoom are emailed and called via direct phone calls with friendly reminders or updates on the newest confired companies.

**(DVOP/LVER)** Vets Hired has connected with and are partnering with thousands of National Local Veterans' Employers Representatives and Disabled Veterans' Outreach Program Specialists who are actively promoting the virtual fairs to thousands of veterans, active-duty and miitary spouses around the country.

**(Eventbrite)** Vets Hired promotes each event on Eventbrite at least 30 days prior to each event.

**(Vets Hired LinkedIn Group)** Vets Hired has over 18,000 military connections around the country, the virtual fairs are shared several times per week within the network, generating thousands of impressions weekly.

**(Vets Hired Employment Guide)** is a national employment guide that is utilized to promote the virtual fairs in each issue which is published monthly.

**(Military Recruiter)** Vets Hired has a Recruiter on staff to assist our clients wih targeting qualified job seekers and inviting them to participate in the virtual fairs.

**Coming Soon: Vets Hired will be investing in LinkedIn Recruiter, we believe that access to millions of veterans who are (Open to Work) will help the fairs become more successful.**
